Turner chose not to address Council on a separate topic, noting he wanted to yield his three minute time to Mr. Thomas. 5. LaQuan Howard-Bryant, 722 Young Street, Thomasville, Georgia, requested Council address safety concerns of pedestrian traffic on Georgia Highway 3 (between US Highway 84 and the 84 Bypass). Bryant displayed photos as a reference of the area.

There were no further citizens to be heard.

Consider a motion to approve the Amended Final Plat for the Mitchell Place Traditional Neighborhood Development (TND).

City Planner, Kenny Thompson, presented. Mitchell Place is a residential neighborhood that was rezoned to Traditional Neighborhood Development (R-TND) in 2005. When originally presented to City Council in 2005, a stipulation was added to the rezoning requirement that prevented the owner from making any changes to the approved concept plan. In 2018, City Council removed this stipulation, allowing the owner to alter the concept plan, therefore creating greater flexibility. The owner now wishes to complete the buildout of Mitchell Place with single-family homes. On January 9, 2006, City Council considered, and approved, a motion to approve the Final Plat of Mitchell Place subdivision. The applicant is requesting to amend that approved final plat for Mitchell Place, replacing the lots that were shown on the original concept plan as “Condominiums & Home Owner’s Association” with Single Family Homes. The affected area is limited to lots 24, 51-57. The new lots have been drawn and presented to meet the zoning requirements for the TND. Pursuant to Thomasville Municipal Code Chapter 17 Subdivisions, Section 67 Review of final plat., Subsection (b) the amended final plat for Mitchell Place subdivision is forwarded to the City Council for action. Approval of the amended plat, as submitted and presented, is recommend by the Planning and Zoning Commission and City staff.
Councilmember Hufstetler motioned to approve the submitted Amended Final Plat as presented. Councilmember Mobley seconded. There was no further discussion. The motion passed 5-0, with the following votes recorded:

AYE: Mayor Hobbs, Mayor Pro Tem Scott and Councilmembers Flowers, Hufstetler and Mobley.
