Construction Continues on the West Jackson Streetscape Project in The Bottom District

Construction on the West Jackson Streetscape project began on April 29, 2019. The project is running smoothly, and water main and stormwater improvements have been completed on the north side of the 200 and 300 blocks of West Jackson Street. Currently there are detours in place that utilize Jefferson Street. Signage has been installed in and around the construction area to help direct customers to parking for West Jackson Street businesses. Pedestrian access and front door business access is available and will remain available throughout the entire project.

We are on schedule to open up one lane of traffic on the south side of West Jackson Street by the end of May/first week of June. We encourage our community to please continue to
support our West Jackson Street small businesses. For more information and continued updates on this project, please click here.
City of Thomasville Releases Annual Consumer Confidence Report

The City of Thomasville Utilities' Water Department is pleased to provide the 2018 Water Consumer Confidence Report to our community. Did you know that the Water Treatment Plant has earned the prestigious Platinum Award for 100% compliance with all Safe Drinking Water Act requirements since 2012? You can read all about it in the 2018 Consumer Confidence Report. This report include details on the City of Thomasville's water quality, where it comes from, and how it's cleaned. Please take a few moments to read more about your local water utility here.

White Named Utilities Superintendent

Thomasville City Manager Alan Carson recently named Chris White as Utilities Superintendent for the City of Thomasville. White joined the City in 1996 as an Electric Technician with the Technology Resources Division and has served in numerous managerial capacities within the City of Thomasville's utilities, telecommunications, and technology operations. Most recently, White has served as the Assistant Utilities Superintendent. For more information on White's promotion, click here.
Presha Sworn in to fill Temporary City Council Vacancy

On Monday, May 13, 2019, a new Thomasville City Councilmember was appointed to fill a temporary vacancy. Cheryl Presha was unanimously selected to represent District 1, becoming Thomasville’s first female African-American Councilmember. A lifelong resident of Thomasville, Ms. Presha is excited to serve not only the citizens in District 1, but also all of Thomasville. She said this is something she has wanted to do for some time and is excited to learn more about our local government. Ms. Presha has been retired since September and has three children and eight grandchildren. She can be contacted through email here.

Text Us Using TVille TextAlert!

Severe weather season is upon us, but thanks to TVille TextAlert, reporting a power outage is easier than ever! Utilities customers can take advantage of this free and easy service by taking the following steps:

1. Verify your mobile number is active on your utility account by calling our Customer Care department at 227-7001.

2. Once your number is active on your account, text tville to 85700

3. You’ll then receive a text asking you to confirm the service location. You can manage up to four locations through the Tville TextAlert service.

4. That’s it! The following commands can be used to report and inquire about outages in your area:

   Text tville to opt in to outage texting
   Text out to report an outage
   Text status to learn the status of your outage
   Text stop to opt out of the service
   Text help for a list of other commands
TVille TextAlert can be used during severe weather or anytime you experience an outage. We'll also notify you via text message when your outage has been restored! The service is free for City of Thomasville Utilities customers, although standard message rates may apply depending on your mobile phone carrier.

**Remington Avenue Streetscape Project: We Want Your Input!**

The City of Thomasville is excited to begin the public input phase of the Remington Avenue Streetscape project. The project will provide both social and economic benefits to our community. In addition to improvements for vehicular travel, improving accessibility for other modes of transportation (such as pedestrians and bicyclists) will also be considered with this project. Creating safe and inviting streets encourages walking and biking and also provides for more recreational spaces - which ultimately fosters healthier, active lifestyles.

Please join us for any of our upcoming events:

- June 4th at 9 a.m.  Workshop and Discovery Walk
- June 5th at 12 p.m. Workshop and Discovery Walk
- June 6th at 5:30 p.m. Workshop and Discovery Walk
- June 25th at 5:00 p.m. Public Design Visioning Workshop

All workshops will be held at the Thomas County EMS and Fire Station, 1202 Remington Avenue. For more information, please contact Kenny Thompson, City Planner, at 229-227-4118.

---

**Celebrating our Public Works Department**

The City of Thomasville joined the American Public Works Association (APWA) by honoring our Public Works staff during National Public Works Week, May 19th - 25th. We are grateful each day
for a great Public Works team that works so diligently to keep Thomasville beautiful and thriving. To read more about APWA National Public Works Week as well as our team of dedicated individuals, click here.

City of Thomasville offices will be closed Monday, May 27th, in observance of Memorial Day. If you have a utility emergency, please call 229-227-5499.
Join the Team!

Team Thomasville is looking for team members! We are proud to offer competitive pay and excellent benefits in a rewarding environment serving your local community. To learn more about our current job openings and to apply online, click here!
