

**ANNOUNCEMENT OF FINALISTS**

**ISSUED 11 OCTOBER 2021**

**REQUEST FOR QUALIFICATIONS (RFQ) 2021-007**

**CITY OF THOMASVILLE STORMWATER MASTER PLAN**

The City's Selection Committee has completed its review and evaluation of the responses received to the above referenced Request for Qualifications. All teams presented excellent qualifications and interviewed very well, and the ranking process for the committee was difficult. Firms were independently evaluated by each member of the selection committee, and a composite score for the committee was determined. Based on those scores, the selection committee has ranked the firms as follows:

1. Goodwyn Mills Cawood, LLC – HQs, Montgomery, AL (Local Office – Albany, GA)
2. Black & Veatch – HQs, Overland Park, KS (Local Office – Atlanta, GA)
3. Kimley-Horn – HQs, Raleigh, NC (Local Office – Tallahassee, GA)

It is the City's intent to enter into man-hour and fee negotiations with the top ranked firm. If an agreement cannot be reached between the City and the top-ranked firm, the City will then move to the next highest ranking firm, and so on until an agreement is reached.
