

CONTROL NO.: \_\_\_\_\_

**INDEMNITY AGREEMENT**

This agreement, entered into this \_\_\_\_\_ day of \_\_\_\_\_, by and between \_\_\_\_\_ parties of the First Part, hereinafter referred to as "the Owner," and the CITY OF THOMASVILLE, GEORGIA, a Municipal Corporation, of the Second Part, hereinafter referred to as "Thomasville."

For and in consideration of the issuance of the building permit applied for by the Owner, it is hereby agreed between the parties hereto as follows:

The Owner has made application with Thomasville for the issuance of a building permit. When stormwater fees have been waived by the City Engineer, this agreement shall be on file with the building permit. When stormwater fees are required, or when detention is provided, this agreement shall be on file in the City Engineer's office. Upon meeting all other requirements established by Thomasville for the issuance of a building permit and in consideration for the issuance by Thomasville of such building permit, the Owner hereby agrees to hold harmless and indemnify Thomasville of and from any and all claims, demands, costs, actions, suits and causes of action of every kind and description made against Thomasville by any person as a result of stormwater runoff or other drainage of water occasioned by the construction, improvements or other modification approved under the subject building permit. This requirement includes any private structures on the City right-of-way.

So agreed, the date first written above.
